Welcome

Teacher Profile:

Mr Tennuci

Welcome to Chestnut!

I'm really looking forward to teaching you next year.

Facts about me

I am remaining in Year 6 next year.

I originally come from the county called Hampshire, in south of England. I enjoy to travel and have had the opportunity to live in Canada and travel countries such as America and Japan.

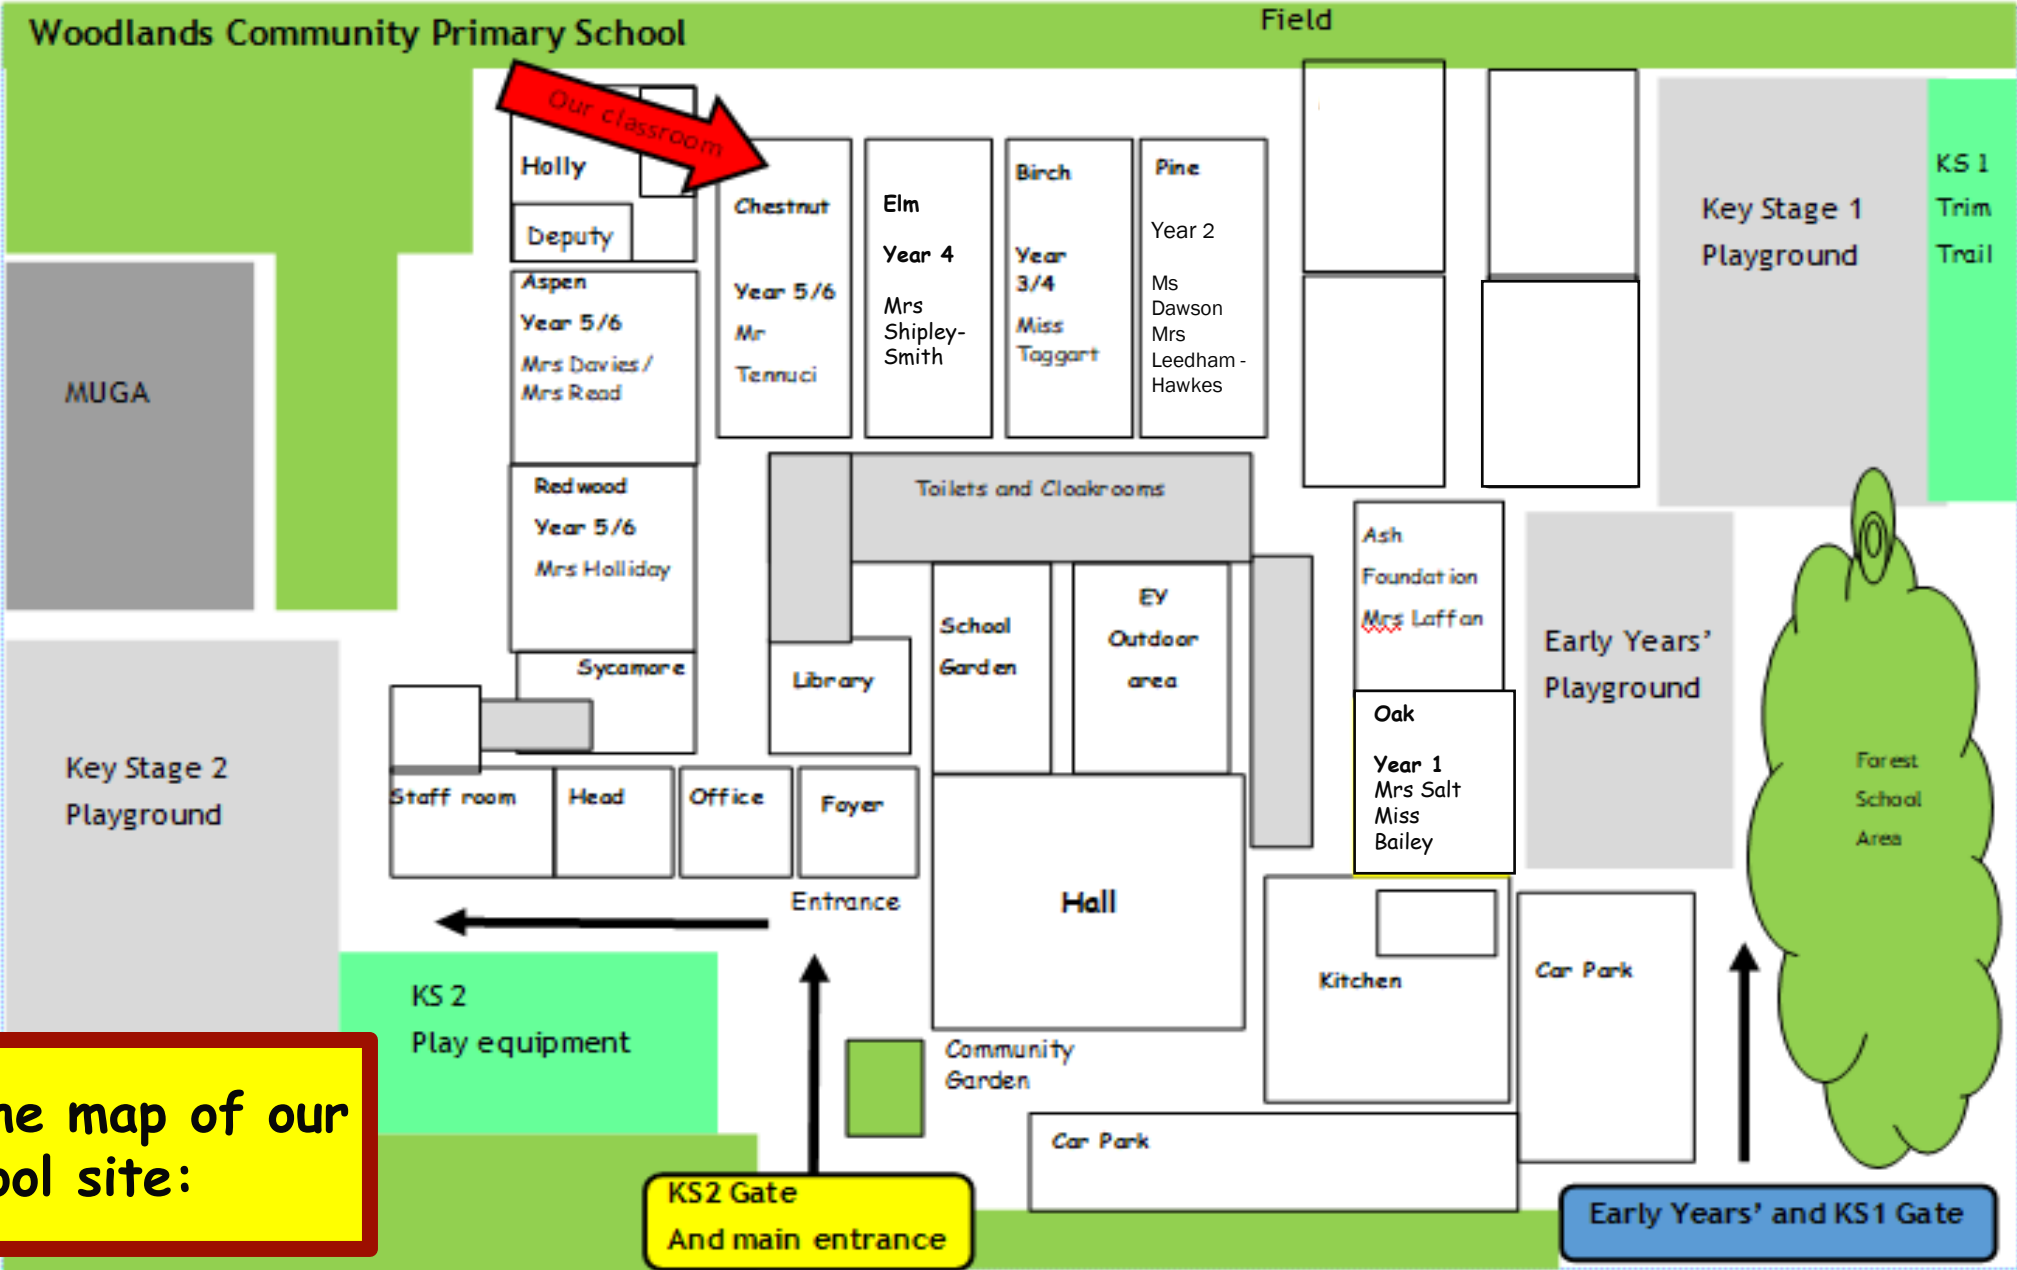

I love movies from the 1980s (it wasn't that long ago!) and anything to do with Star Wars and Marvel superheroes.

When I'm not in school, I'm usually entertaining my own three children. I begun coaching football last year, with my eldest daughter's team.

I look forward to reading your 'All About Me' profiles soon!
