Come on England!

To help support the team, whether we win or lose, we invite all of the children to wear something **red or white** on Monday.

Next week is our **Sports Week**- the children will be trying different sports all week and learning how sport helps our bodies. The children will stay in their bubbles to help reduce risk but will try different sports throughout the week

Children need to wear sports clothes all week- this can be any sports wear but not just casual non uniform clothing. The children will also need to wear their trainers all week too. Please also send your child to school with a water bottle so that they can refill it during the day

The week will end with our Sports Day on Friday- but sadly due to ongoing Covid restrictions we cannot invite families to watch [much like the Olympics] The children will still have the same activities fun and events but without families spectating.

Thank you from The Woodlands Team

**PLEASE WEAR
A FACE MASK**

Covid :Please help us reduce the risk for the last few weeks of school

Please keep as close to the **hedge** as possible when waiting to collect children. We need to keep the path available for children to use and not step into the road.

Please also remember to wear a mask if you need to enter the school reception area.

We encourage children to walk cycle and scooter to school.

But.. **Please be careful.** We ask all families to remind the children of the importance of road safety. We have had several incidents with children not being safe with bikes and scooters. Do not ride scooters on the road or use the speed bumps as ramps.

School day 2021

Staggered starts will continue next year. Although the government has given permission to return to one entrance time we have considered all options and decided it is better to keep the staggered starts. This is to continue to reduce the risk by minimising the sizes of groups gathering at the gates, this helps reduce the risk of future transmissions but also reduces the traffic and amount of children on the paths.

The times for each class are in the class leaflet that was handed out, on the class website pages and will be on new signs.

Learning starts as soon as the children reach the classroom and registers close 10 minutes after the gate time. Please help the children to arrive on time. Any lateness is recorded.

Last few weeks

To help have a smooth end of year please help the school by:

- Returning any reading books
- Paying all Parent Pay bills

Key dates

Monday July 12th- SPORTS WEEK

Tuesday July 13th School Reports

Friday July 16th Children's Sports Day

Monday July 19th KS2 FOREST DAY

Tuesday July 20th KS1 FOREST DAY

Wednesday July 21st End of Summer Term

NEW TERM STARTS:

THURSDAY 2ND SEPTEMBER

Safeguarding Social Media

Are you aware of which social media your children use and what are the legal ages?

Last half term we sent out information about the impact of social media and ways to help use it more safely.

Please look at the resources on the school website and discuss with your children how to be safe when using social media

Please ensure that the children have a water bottle [named] with only **WATER** to help with hydration during the day. Children need to drink regularly as part of staying healthy. Other drinks are not permitted in the bottles as this can lead to sticky areas in the classrooms.
