

Child Friendly Safeguarding Policy

What is safeguarding?

- Your health, safety and well-being are the most important things
- At our school, both children and adults are treated with respect
- We work together to protect everyone's rights

How does The Woodlands Community Primary School keep you safe?

- We provide a safe and secure learning environment
- Staff at our school know how to keep you and your friends safe, at home as well as at school
- We encourage you to talk to a grown up if you are worried or unhappy about something
- We help you to learn how to keep yourself and others safe and to recognise risks in different situations. Learning includes healthy eating, e-safety and road safety.

Need to Talk?

- Mr Baker is our Safeguarding leader
- Miss Hodson's role is to keep our children safe and will listen to your worries, Mrs Read is also part of the safeguarding team
- You can speak to any adult in school, they will always encourage you to talk
- You can place a note in the Chatterbox in class and an adult will arrange to meet with you
- You can also contact other organisations who will listen - see the safeguarding board- in the Year 5/6 corridor

What happens next?

- If you message, someone will come and talk to you as soon as they are available
- Sometimes adults may need to share your worries so that we can support you and keep you safe
