Thank you for all your support this year. The children continue to be amazing and have had some wonderful experiences. They've been to the moon and back, travelled under the oceans, hidden in air raid shelters and much, much more.

Covid—We are planning to be open as usual in January but are guided by the government guidelines. If your child is suffering from covid symptoms please get them tested. We are aware that it is the season of colds but please ensure that if they are unwell, all precautions are being made. Please also wear a mask if you need to visit the office.

Well done Early Years and KEY Stage 1 for a wonderful virtual Nativity- the singing is awesome. Thank You to Mr Savage and his amazing tech skills to create the school production.

Bad weather

School will always try its very best to remain open. If there is bad weather the school will post an update on the school **website** and send an email informing families if the school is closed. The school is checked in the evening and early in the morning ready to update the website. Please assume school is open unless told otherwise. In cold weather please make sure that the children wrap up warm and bring spare shoes. Thank you.

Please can we remind all Parents/Carers, that if your child is unable to attend school for any reason, that you please ensure you inform the office before 9.10am. You can do this by ringing the school number and selecting option 1 and leaving a message for us.

Well done

to all of our Autumn 100% attenders. They have all received a certificate today and one lucky winner won a £10 gift voucher.

Look out for the Spring 100% before Easter

Child collection

Please remember to line up against the hedge in line to collect children at the end of the day. Staff will release children to the next parent in line. Please then move from the gates to clear the exits for the next children.

Please do not group in the exits and spill into the road.

Thank you.
