Leo P

For his Maths work. We have been learning about time this week and ways to measure it. Leo was able to talk about time confidently. In addition to this, he could show me the o'clock times and label them. Well done Leo!

Laura is a superstar. Laura approaches every lesson with a desire to succeed. She always works hard, is kind, resilient, respectful. The list goes on. She has also been an incredible helper in class. I can rely on Laura (and her sidekick Bethany) to always sort out and hand-outs and books. Well done!
