## ARCHERY

## FENCING

Our Archery clubs are as close to the real thing as it comes, they provide an opportunity for children to experience the sport in a safe and fun environment. How good is your child's aim? Children will take part in this exciting sport while also learning the important fundamental skills it takes, including safety, technique and how to get closer to the bullseye every time. The activities will enable the children to use Archery as a vehicle for learning maths through their scoring, literacy through language and citizenship through cooperation and self discipline. The activities provide an alternative and complimentary way of developing skills such as coordination, balance and strength as well as personal, social and mental skills all while having so much FUN playing Archery!

Our Fencing club is designed to introduce children to the sport of fencing in a fun and safe way. Fencing uses plastic swords and safety masks, presenting this age group with the fundamental movements used in fencing and to experience the excitement of combat! They improve their agility, balance and physical co-ordination, control and discipline, develop sporting behaviour and their thinking and social skills. Our highly-qualified coaches deliver fun sessions, allowing your child/children to enhance their skills and techniques vital towards successful short and long term athletic development.
