Dear families,

Welcome Back!!- It has been such a wonderful week with the children back. They have filled the school with smiles, energy and laughter.

A huge thank you to everyone for your help and support with sticking to gate times, helping the children be prepared for school and for your support of our amazing staff. Please continue to drop off and collect the children AT their allocated time to avoid any grouping or mixing of children at the gates.

The children have enjoyed being back, meeting their friends, catching up with their teacher and getting stuck into all types of learning.

The teachers have planned many practical engaging activities both inside and outside including Forest Days and Commando Joe days over the next few weeks.

The children have also been reminded that they can talk to any adult or write a note for the class 'chatterbox' if they have any concerns

**Thank you from The Woodlands Team**

## Congratulations!

Mrs Davies is having a baby—we congratulate her and her family. Mrs Davies will start maternity after the May half term.

Please ensure that the children have a water bottle [named] with only **WATER** to help with hydration during the day. Children need to drink regularly as part of staying healthy Other drinks are not permitted in the bottles as this can lead to sticky areas in the classrooms.

### Request

If anybody has any **paving slabs** that the school could use please contact the office. We are continually improving our outdoor learning areas and extra slabs would really help. Thank you
