## What's new...?

Birch have been having a lovely time recently! In our science topic, we have been looking at plant nutrition and reproduction and have been growing our own tomato plant in the classroom! We have dissected some tulips and investigated what is inside them, and looked into the life cycle of plants

We have loved learning about the Romans in our humanities topic and have been on our feet, taking part in Roman Boot Camp role-playing what life was like in the Roman army. We can't wait to find out more about Queen Boudicca and the downfall of the Roman empire as we continue learning.

We had an amazing WOLF Day recently, linked to our Romans topic. We used natural resources to build aqueducts and learned how to play Roman games, such as hoop rolling and 'Knucklebones' – which we all loved and things got very competitive!

In maths, we have made great progress with learning how to tell the time to 5 minutes, reading digital clocks and working out how long it takes us to do tasks. We will be moving onto shapes soon, learning all about 2-D and 3-D shapes and their properties.

## Job Vacancy

We are currently recruiting for a Lunchtime Supervisor. If you are interested please look at the advert via the link below
