Dear families,

Spring is certainly here, wonderful blossom and flowering plants fill the school grounds. It's great to have all of the children in school and they have been outstanding- helping reduce the risk, quickly adapting to change and engaging in the daily learning.

Summer term is full of hope and a bright future as we make steps along the route map to normality. With the children in school full time and accessing all of their learning we hope to introduce all of the wonderful additions that make our school great- see over for details

As the children get back into the swing of normality we ask for your continued support in helping them recover from their lost learning. The children and staff are working hard in school and learning so much. We ask that you continue to help by practising the key building blocks of learning at home

- Reading regularly
- Practising spellings
- Practising number bonds and tables

These actions will help the children now and for their future learning. Each class has also sent home a leaflet with websites and activities that would help their class with their learning. The teachers are here to help and if you need any additional support or resources please do not hesitate to contact the school

Thank you from The Woodlands Team

Covid

Please keep as close to the **hedge** as possible when waiting to collect children. We need to keep the path available for children to use and not step into the road.

Please also remember to wear a mask if you need to enter the school reception area.

**PLEASE WEAR
A FACE MASK**

Back to normality

We hope to bring back the following in the later summer term

Summer camp—year 6 away at Laches Wood , year 5 on site

Sports clubs- after school sports and activities

Sports Day—we do not know in what format this will take but we would really like to celebrate summer and the children with a School Sports Day

More details to follow

Thank you to everyone who has donated flowers, plants or seeds to help develop the school planters

Please continue to donate to help make the school look even nicer for the children

BOOK amnesty

Please check at home, under the sofa, next to the bed, in old school bags for any school reading books and return them to school before the holiday- we have lots of books that have been taken home and not returned- thank you

Key dates:

Friday 28th May- End of Summer 1

Friday 18th June - INSET DAY school closed

Friday June 25th High School Transition Day

Monday July 5th Year 6 camp

Tuesday July 13th School Reports

Friday July 16th Proposed Sports Day

Wednesday July 21st End of Summer Term

Please ensure that the children have a water bottle [named] with only **WATER** to help with hydration during the day. Children need to drink regularly as part of staying healthy. Other drinks are not permitted in the bottles as this can lead to sticky areas in the classrooms.
