Head Teacher Mr J. Baker

21st October 2025

Dear Families,

Ingestre Hall Residential Arts Centre

Wednesday 21st January to Friday 23rd January 2026.

Thank you to everyone for completing the payments for the above residential visit. We have now confirmed the children attending with Ingestre Hall.

After October half term further information will be sent out regarding menus and itineraries etc but I wanted to make contact with the current information that is available.

Dormitories have been allocated with Woodlands' girls in their own dorm and Woodlands' boys having their own dorm too.

I can confirm that the staff attending Ingestre Hall with the children will be myself and Mrs Slator. We will be on site for the entire visit to look after the children and will also be in bedrooms close to the Woodlands dormitories.

I will meet with the children after half term for them to finalise which activity area they would like to take part in - drama, music, art or dance so, you may wish to discuss this with your child before we return on 3rd November.

At the beginning of January, I will send out a medical/consent form for you to complete before we depart as any medicines that are to be given to children during the visit need to be handed in to Mrs Read on the Wednesday morning together with the school form stating the dose and frequency of the medication.

On the reverse of this letter, you will find details of what the children will need take with them but there will also be a further parent meeting next half term so that we can go over the final arrangements for the trip and answer any questions.

Thank you for your support with this exciting experience for the children and please get in touch should there be anything that you wish to discuss.

Kind regards,

Mrs Read and Mrs Slator
