

# Wow Assembly:

## Friday 3<sup>rd</sup> July 2026

# Scientists of the Week!

Ash-Explorer of the Week:-Betty

Oak - Atticus      Aspen-

Willow-Isla-Rose      Chestnut- Adam

Birch- Amber      Redwood- Taylor

Elm - Noah

# Green Cards!

Florrie –  
Aspen  
Olivia

# Ash

# Honovi

*For his positive attitude to learning. He always tries his best to complete his morning challenge and he has worked hard to improved his handwriting and presentation.*

*Mrs Laffan*

*03.07.2026*

# Oak

# Tarla

For her fantastic art work! Tarla has been showing excellence in our art lessons this week. We were making collagraphy blocks ready for printing. Tarla thought about her design carefully and used different textures to create lines and shapes.

Well done!

*Mrs Salt*

03.07.2026

# Elm Cole

For being a superstar during our WOLF Day this week. Cole showed great teamwork, creativity and respect to everyone - as he always does! Well done, Cole! 😊

*Miss Taggart*

03.07.2026

# Birch Amber

For her work in Art, Amber did some excellent work when comparing two pieces of botanical art, and yesterday sketched and painted a pineapple with great detail, colour and texture.

*Miss Taggart*

03.07.2026

# Willow

## Paisley

For listening carefully in maths and following instructions linked to quarter and half turns and clockwise and anti-clockwise.

*Miss Dawson & Miss Higgins*

03.07.2026

# Aspen Harley For

*Going above and beyond with his written work and for always answering questions within lessons. Amazing effort!*

*Mrs Read & Mrs Davies*

*03.07.2026*

# Chestnut

Theo

*Theo is a fantastic role model of how to be in class: an excellent attitude to learning, always putting 100% into everything and listens to advice well acting on what he needs to do to improve.*

*Mr Tennuci*

3.7.2026

# Redwood

## Carla

I have been really impressed with the progress you have made in your writing. The dialogue piece about Alma and the Doll Maker was excellent. Well done!

*Mrs Holliday*
