Friday 11th September 2026

Scientists of the Week!

Oak - Zofia-Grace

Pine - Flora

Birch- Freddie C

Elm- Rose

Aspen- Bethany

Chestnut- Noah

Redwood- Lola

Green Cards!

Mrs Pritchard

ASPEN - Esme

Oak

Honovi

For super work in our computing lesson this week. Honovi was able to talk about what technology is and identify objects that are technology around the classroom. Well done Honovi 😊

Miss Bailey & Mrs Salt

11.09.2026

Elm Lewis C

For fantastic research skills in science. We have been looking at eco systems this week. Lewis was able to talk about the interdependence of the biotic and abiotic features in them. Well done Lewis 😊

Mrs Salt & Miss Higgins

11.09.2026

Birch

Noah S

For his brilliant work in our History lesson this week. Noah was able to describe what life was like in the Stone Age and use the text to identify how life changed throughout the three different stages of the Stone Age.

Miss Taggart

11.09.2026

Pine Rosa

For showing a positive attitude and wonderful commitment towards her learning. Rosa listens carefully, is always ready to learn and is trying her best in all activities.

Keep up the good work Rosa.

*Miss Dawson and
Mrs Leedham-Hawkes*

11.09.2026

Aspen

Josh

For

Showing excellence and resilience when
accepting his maths challenge.
Super attitude and great settling into Aspen
class.

Mrs Read & Mrs Davies

11.09.2026

Chestnut

Annalyse

Annalyse has had a positive start to the new school year. She is polite and respectful and already her passion for art has stood out, showing a fantastic patience towards the work she has created.

Mr Tennuci

11.09.2026

Redwood

Brody

You have wowed me with your ability to settle into year 5, and in such a short time I have seen your confidence grow. I have noticed that you answer questions in front of the class regularly and have persevered when you thought things might be tricky. What a super star!

Mrs Holliday
