Ash

Thaarushan

For his excellence when creating a bonfire night picture using a range of creative materials.

Mrs Laffan *6.11.2026*

Oak

Ingrid

For her excellence in our science lesson this week. We have started a new topic this week and our first job was to label parts of the body. Ingrid did this independently and then went to help her peers. Well done ☺!

Miss Bailey & Mrs Salt *06.11.2026*

Elm

Millie

Millie worked super hard in Science this week make scientific observations. She listened very carefully to different sound types and used scientific language in discussions.

Well done Millie ☺

Miss Higgins *06.11.2026*

Birch

Clayne

For his impressive maths skills this week. Clayne has been able to add 3 digit numbers and exchanging when needed. Keep it up, Clayne! ☺

Miss Taggart *06.11.2026*

Pine

Tarla

For adding pairs of two digit numbers. Tarla has been making the numbers using base ten before adding the ones and tens.

Chestnut

Harry

For his fantastic contributions in P.E. demonstrating excellent movement and knows who to exaggerate to create a better performance.

Mr Tennuci

Redwood

Layla

Layla has always been a joy to have in class. She is focussed and resilient – she never gives up! I have noticed how, due to her focus and concentration in lessons, she is able to complete tasks and recall previous learning and apply it to new concepts – particularly in English and Maths.
